

ANDY TOUCHFINGERS

UNRELEASED EP

Artizan (UK), ARTMD002

Four tastily deep tracks here of varying degrees of jazziness and soulfulness with plenty of proper instruments to keep those with goatees and sandals happy. For starters head to the ever-brill Rhythm Plate and their sexy, funny and proper deep remix of 'Ha Ha Made You Look!'. Then try 'The Peppermint Lounge' and its bump and funk dreaminess. JT
